

§ 776.67

in any event may be relevant in a subsequent admission application. The duty imposed by this section applies to a covered attorney's own admission or discipline as well as that of others. Thus, it is a separate professional offense for a covered attorney to make a knowing misrepresentation or omission in connection with a disciplinary investigation of the covered attorney's own conduct. This section also requires affirmative clarification of any misunderstanding on the part of the admissions, certification, or disciplinary authority of which the person involved becomes aware.

§ 776.67 Judicial and legal officers.

(a) *Judicial and legal officers.* A covered attorney shall not make a statement that the covered attorney knows to be false or with reckless disregard as to its truth or falsity concerning the qualifications or integrity of a judge, investigating officer, hearing officer, adjudicatory officer, or public legal officer, or of a candidate for election or appointment to judicial or legal office.

(b) [Reserved]

§ 776.68 Reporting professional misconduct.

(a) *Reporting professional misconduct:*

(1) A covered attorney having knowledge that another covered attorney has committed a violation of this part that raises a substantial question as to that covered attorney's honesty, trustworthiness, or fitness as a covered attorney in other respects, shall report such violation in accordance with the procedures set forth in subpart C of this part.

(2) A covered attorney having knowledge that a judge has committed a violation of applicable rules of judicial conduct that raises a substantial question as to the judge's fitness for office shall report such violation in accordance with the procedures set forth in subpart C of this part.

(3) This Rule does not require disclosure of information otherwise protected by § 776.25 of this part.

(b) [Reserved]

§ 776.69 Misconduct.

(a) *Misconduct.* It is professional misconduct for a covered attorney to:

32 CFR Ch. VI (7-1-04 Edition)

(1) Violate or attempt to violate this subpart, knowingly assist or induce another to do so, or do so through the acts of another;

(2) Commit a criminal act that reflects adversely on the covered attorney's honesty, trustworthiness, or fitness as an attorney in other respects;

(3) Engage in conduct involving dishonesty, fraud, deceit, or misrepresentation;

(4) Engage in conduct that is prejudicial to the administration of justice;

(5) State or imply an ability to influence improperly a government agency or official; or

(6) Knowingly assist a judge or judicial officer in conduct that is a violation of applicable rules of judicial conduct or other law.

(b)(1) Judge advocates hold a commission as an officer in the Navy or Marine Corps and assume legal responsibilities going beyond those of other citizens. A judge advocate's abuse of such commission can suggest an inability to fulfill the professional role of judge advocate and attorney. This concept has similar application to civilian USG attorneys.

(2) Covered non-USG attorneys, Reservists, and Retirees (acting in their civilian capacity), like their active-duty counterparts, are expected to demonstrate model behavior and exemplary integrity at all times. JAG may consider any and all derogatory or beneficial information about a covered attorney, for purposes of determining the attorney's qualification, professional competence, or fitness to practice law in DON matters, or to administer discipline under this part. Such consideration shall be made, except in emergency situations necessitating immediate action, according to the procedures established in subpart C of this part.

§ 776.70 Jurisdiction.

(a) *Jurisdiction.* All covered attorneys, as defined in § 776.2 of this part, shall be governed by this part.

(b)(1) Many covered USG attorneys practice outside the territorial limits of the jurisdiction in which they are licensed. While covered attorneys remain subject to the governing authority of the jurisdiction in which they

Department of the Navy, DoD

§ 776.71

are licensed to practice, they are also subject to these Rules.

(2) When covered USG attorneys are engaged in the conduct of Navy or Marine Corps legal functions, whether serving the Navy or Marine Corps as a client or serving an individual client as authorized by the Navy or Marine Corps, the rules contained in this subpart supersede any conflicting rules applicable in jurisdictions in which the covered attorney may be licensed. However, covered attorneys practicing in State or Federal civilian court proceedings will abide by the rules adopted by that State or Federal civilian court during the proceedings. As for covered non-USG attorneys practicing under the supervision of the JAG, violation of the rules contained in this subpart may result in suspension from practice in DON proceedings.

(3) Covered non-USG attorneys, Reservists, or Retirees (acting in their civilian capacity) who seek to provide legal services in any DON matter under JAG cognizance and supervision, may be precluded from such practice of law if, in the opinion of the JAG (as exercised through this instruction) the attorney's conduct in any venue renders that attorney unable or unqualified to practice in DON programs or proceedings.

§ 776.71 Requirement to remain in good standing with licensing authorities.

(a) *Requirement to remain in good standing with state licensing authority:*

(1) Each officer of the Navy appointed as a member of the Judge Advocate General's Corps, each officer of the Marine Corps designated a judge advocate, and each civil service and contracted civilian attorney who practices law under the cognizance and supervision of the JAG shall maintain a status considered "in good standing" at all times with the licensing authority admitting the individual to the practice of law before the highest court of at least one State, Territory, Commonwealth, or the District of Columbia.

(2) The JAG, the Director, JA Division, HQMC, or any other supervisory attorney may require any covered USG attorney over whom they exercise authority to establish that the attorney

continues to be in good standing with his or her licensing authority. Representatives of the JAG or of the Director, JA Division, HQMC, may also inquire directly of any such covered USG attorney's licensing authority to establish whether he or she continues to be in good standing and has no disciplinary action pending.

(3) Each covered USG attorney shall immediately report to the JAG if any jurisdiction in which the covered USG attorney is or has been a member in good standing commences disciplinary investigation or action against him or her or if the covered USG attorney is disciplined, suspended, or disbarred from the practice of law in any jurisdiction.

(4) Each covered non-USG attorney representing an accused in any court-martial or administrative separation proceeding shall be a member in good standing with, and authorized to practice law by, the bar of a Federal court or of the bar of the highest court of a State, or a lawyer otherwise authorized by a recognized licensing authority to practice law and found by the military judge to be qualified to represent the accused.

(b)(1) The licensing authority granting the certification or privilege to practice law within the jurisdiction generally defines the phrase "in good standing." At a minimum it means that the individual is subject to the jurisdiction's disciplinary review process; has not been suspended or disbarred from the practice of law within the jurisdiction; is up-to-date in the payment of all required fees; has met applicable continuing legal education requirements which the jurisdiction has imposed (or the cognizant authority has waived those requirements in the case of the individual); and has met such other requirements as the cognizant authority has set to remain eligible to practice law. So long as these conditions are met, a covered USG attorney may be considered "inactive" as to the practice of law within a particular jurisdiction and still be considered "in good standing" for purposes of this section.

(2) Rule for Courts-Martial 502(d)(3)(A) requires that any civilian
